GROUP MENUS

Do you want to make a reservation for a group of more than 11 persons? Of course that's possible! For groups bigger than 11 persons we work with group menus to ensure that you can all enjoy our wonderful dishes at the same time. The menus are all excluding drinks. The entire group should choose one of the three menus. We would like to know which menu you choose at least one week in advance so we can make sure we place the right orders with our suppliers. Our staff will take the final choices within the menu as soon as you are settled down with a cold (or hot) drink!
